

Test Day Photo Consent Form

Terms and conditions for candidates taking Cambridge English Qualifications

Candidates registering for Cambridge English Qualifications, including **C1 Advanced (CAE)** and **C2 Proficiency (CPE)**, are required to have a passport-style photograph taken on the day of their Speaking Test and/or written examination in accordance with the Cambridge English Candidate Privacy Notice. The photograph will be taken by authorised Glossomatheia Language & Assessment (GLA) examination staff to strengthen exam security and ensure compliance with Cambridge University Press & Assessment regulations.

Test Day Photos are **mandatory for all C1 Advanced and C2 Proficiency candidates**. Candidates who refuse to have a Test Day Photo taken will not be permitted to sit the examination if a photo is required.

The photograph will be securely stored on the Cambridge English **Results Verification Service** website. Candidates may control access to their results and photo by providing their unique Candidate ID and Candidate Secret Number to universities, employers, or other organisations.

By registering, candidates acknowledge that a Test Day Photo will be taken. Candidates under 18 require a parent or legal guardian to read this form and provide consent on their behalf.

In accordance with data protection law (GDPR), candidates and parents/guardians have the right to access, correct, or request deletion of personal data, or to object to its processing. For requests, contact GLA at: info@glaexams.gr. Requests will be addressed within 40 days. Complaints can also be made to the national Data Protection Authority.
